Worldpack attend Sino-Pack2020

Guangzhou Worlde Packaging Machinery Co.,Ltd will attend Sino-Pack2020 in China Import and Export Complex on March 4th to 6th. Sino-pack is Asia' s top intelligent automatic packaging equipment and material exhibition.

“We will bring our latest packing machine in Sino-Pack every year,” says Mr. LEI KANG, Marketing Manager at Guangzhou Worlde Packaging Machinery Co.,Ltd.

Worlde Packaging Machinery CO. LTD will showcase its latest packaging machines including form fill seal machine, screw packing machine, hardware packing machine, tea packaging machine, and sugar bag packing machine with popular pouch in the market.

Over 700 exhibitors from 22 countries and regions will take part in Sino-Pack 2020. Five interconnected halls on the same floor will be used for smart packaging, delivery of Smart Logistics, General Packing, and Food Packing. Sino-Pack 2020, displaying the leading technologies of printing, label, packaging, and logistics in the global industrial market. The area covered in the exhibition is more than 100,000 square meters.
