

Drinktec 2022

The World's Leading Trade Fair for the Beverage and Liquid Food Industry will take place from September 12–16, 2022 in Messe München

The focus of the event will be future and innovation, market and technology, knowledge transfer and practical insights which will form the framework for numerous special events such as education courses, discussions and lectures. The supporting program oils+fats@drinktec will present the latest products, services, trends and innovations regarding plant-based proteins, oils and fats.

Herti is going to present its full product range of closures for mineral water, spirits and olive oil.

All partners and visitors are warmly welcome at our booth 446 in Hall C6.
