SALONE INTERNAZIONALE MACCHINE PER ENOLOGIA E IMBOTTIGLIAMENTO

SIMEI 2022 - Fiera Milano

The International enological and bottling equipment exhibition SimeI will take place at Fiera Milano from 15 to 18 November 2022. The 29th edition comes with a four-day programme dedicated to wine and beverage technology, innovation and green processes in wine making, liquid food, oil, beer and spirits. There are 15 product categories in the 4 halls of Fiera Milano.

Traditionally Herti will exhibit closures for wine, spirits, water and olive oil.

Herti is excited and looks forward to meet all clients, partners and visitors at its booth Pav 2P-L12
