# VISIT US AS ICE USA

**ICE USA - Orlando, Florida – 10-12 February 2014**

Laem system and Eutro Log are proud to be exhibiting in **booth # 111** at the upcoming **ICE USA** exhibition in Orlando, Florida. Senior management will be there to welcome you and guide you sharing their advice and know how. We believe that a solution always arises from a specific need, with a complete understanding of our customer's requirements our tailor made integrated converting solutions can be fully incorporated and interface with existing ERP systems. One Group. One Vision. One Solution.

We look forward to meeting you there !
