

**DISCOVER SMI'S
NEW CORPORATE
VIDEO**

SMI designs and manufactures bottling and packaging systems featuring high-tech content and innovative energy-saving solutions.

The new, suggestive **SMI's corporate video** brings on stage the wide range of products made in the company's new headquarter, a unique example of low environmental impact buildings and assembly facilities covering an area of over 65,000 m².

For any further information on SMI's product range you can contact our sales department or visit our website www.smigroup.it

Thank you for your attention. Warmest regards.
