

Yash Packaging

<http://www.yashpackaging.in/>

We are one of the leading manufacturer of Packaging Machines. Also engaged in Assembling and Fabrication of packaging machines as per requirements of our customers.

About Us

We, **Yash Packaging**, started in the year **2002**, are one of the foremost manufacturers of an extensive array of **Packaging Machines**. **Our offered range consists of best grade Wrapping Machines, Polyolefin Shrink Film and Strapping Machines**. To manufacture these offered products in compliance with the set industry standards, our experienced professionals use the high-quality stainless steel, mild steel, brass, aluminum and other raw materials and tools. Our products are appreciated for their features like corrosion resistance, efficient performance, and flawlessness. In addition to this, our offered products are widely demanded in various industries.

Our company has established up to date infrastructural set-up. It has various departments like manufacturing, quality control, packaging, and others, which helps us in performing our business process in the best possible way. Apart from this, our ethical business practices, customization facility, and timely delivery have made us popular with the clients. Our professionals work in a close coordination with the clients to offer them with the attractive solutions as per their actual demands. Also, we have the long list of clients; some of them are **Bharat Bijlee, Godrej, H R Johnson, Atul Ltd., Sony, Siyaram, and Anchor**.

Under the direction of our mentor, **Mr. Amjad Khan**, we have been able to create a huge patron. With the help of his deep knowledge, sharp business approach and skills, we have gained a top position in the market.
